Creative Idea(s): Paula Venturi Hopkins
Sensibo

- ① - Friendly & Biblically oriented
 - People "come from all walks" of life
 - Easy to meet people
 - Programs w/ youth especially young groups - JBS & TKA are excellent
 - We are more "orthodox" - doctrine - Bible "real deal," "Pastors call it way it is," Church starts w/ Christ.
 - How many of our ministries are "self serving?"
 - 70% of our kids are in a CTK & not regularly church.

② - Connection - we need improvement & what does

a. "that look like?"

- Small Groups / SS Home life Groups - ex: "How was your week? How are you?" Truly connecting - part of people's lives.
- Need more "heartfelt" connection(s) - relations.
- Reach aggressive on "community" to share w/ others?
- Bible studies outreach, take advantage - how we do this better?
- Ex: "If the church/school closes ^{your doors} tomorrow, would the community know?"

b. w/o at the school and sanctuary - all the church members helped unpack. They exist together

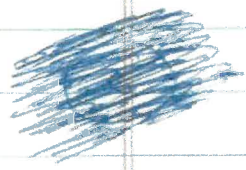

- Stephen Ministry outreach effective w/ parents.

(PAULA)

- Not reaching sufficiently - and need out to non-Christian ~~people~~ people?? Broader base needed.

- Connection between Stephens & V School?

Training is marvelous.

What is lengthy & can we effectively do all of these ministries?

- Find things that do not require 20 volunteers.

- Focus on fewer items

- Kids need more than "just a Sunday Service!!" we lose people between 12 & 21 yrs.

Great need

- Meet needs of kids that don't attend

Christ the King Academy

"Life Group" - people appointed or multi-generational, wisdom, learning, etc.

(c) - Reach out to HS & College
Small Groups "

- Contemporary worship - more of this
What is the "back in the boat?"

(3)

(d)

Music more contemporary!
a "blend"

"Things are different now."
Contemporary music/videos, work of copy right concerns.

Trad. vs. Contemporary - why has the latter "stepped."

"move the stage & put the altars back!!"

~~There~~ No concern here

Paula

(3) cont'd - music / continued emphasis of to lead -
more contemporary music in
services on one service.

(4) (a) - Built to provide Tech. & A/V support.
- widely used - the entire Facility.
- Multi-purpose & widely used 7 days
a wk / 7 AM - 8 PM.
- Reaching unchurched parents & families
of students.
- Kids are taught how to go to church & not
want to discipline during the service.

(b) - More classrooms
- Room for our youth to "hangout" - "chill"
nothing left for them
- "Sharing" space w/ all missions.
- Sunday School leading - more biblical.

(5) (6) - More of our inactive members active.
- "Connections" - more of this / invitations,
greet, reach out.
- Non members came to our Women's
Bible Group.
- Exposing people to what goes on here
School Programs on Sunday, expose to things that
are positive more than just Sunday.
"What's really going on here at the facility?"

Paula

- "once again?"
Community might invite ^a friend(s). Conversations of why we are different here at CTK.
- Foster events.
- Get the event on the calendar.
- "Intentional" about our church - some structure.

Bring in surrounding community.

- Pray for me / paired up child w/ different generation(s) - pray for them specifically.
- "Alive in Christ, example." "Connection" w/ the child & spouse.
- Bible usage / bring your bible to church. Open it!
Greater emphasis on opening for the Bible service -
take one in the pew.
